Tales OF TWO CITIES

FOURTH TICKETS

In order to avoid misunderstanding and confusion, the reason for sale of tickets for the Fourth of July celebration at Upland Memorial park should be explained.

First, it must be emphasized that you do NOT need a ticket in order to participate in the all-day program at the park. Every Upland resident and others in nearby communities are welcome to attend without any charge. Buying a ticket for a dollar is entirely on a voluntary basis. There's no law that says you must buy a ticket if you don't feel that you can.

DONATION

Since the fireworks display is going to run more than a $1000 the tickets are being sold in order to raise the money. In the past years, business men have had to provide this money and it was felt that since they are called upon to make contributions for nearly everything, the fireworks ought to be more of a community affair.

So, the $1 that you pay for a ticket is your part in the fireworks. But you're not compelled to buy a ticket. You and your entire family can enjoy the Independence Day program on July 5 without any cost at all.

ATTEND

Naturally, the more people that buy tickets the better fireworks display we can have. However, it isn't necessary, for example, for a family of four to buy four tickets. A donation of $1 from the head of the family should certainly be sufficient and if you look at your ticket when you buy it, you'll find that it's worth the investment.

But even if you don't feel that you can afford to give a dollar, don't hesitate. Plan to come out and join your friends and neighbors in celebration of the Fourth at Upland Memorial park. It's going to be a lot of fun.

BOARD MEETING

Although the official reason for the Chaffey board meeting tonight is to canvass the votes of last Friday's election, the matter of selecting a new superintendent will also come under discussion. It is even possible that a temporary appointment of some kind may be made tonight. The meeting will start at 7:30 p. m.

POSTPONED

In case you miss the other story or the boys in the "back room" forget to put it in, this is a reminder that the Cucamonga P-T.A. carnival scheduled for tonight has been postponed and will not be held until June 4 from 4 p. m. to 8 p. m.

We hate to have this get back east but the inclement weather is the reason given for the postponement.

Jews Surrender Old Jerusalem To Arabs

Greater Battle Looms Ahead for Modern City

JERUSALEM (AP)—King Abdullah's forces announced the epic battle for the old city of Jerusalem ended today in the surrender of the last-ditch Jewish fighters.

The fall of the city, after two weeks of struggle between the Arab legion and a small force of Jews, may signal the beginning for the greater battle of modern Jerusalem. Israeli forces say they hold most of the modern city.

In the raging battle for Latrun, a key to the Jerusalem-Tel Aviv road, Jewish forces claimed capture of two Arab villages. Advices from Jerusalem indicated fighting there may be a decisive battle of the Palestine war.

Fewer than 400 Jewish fighters held out bitterly in the final phases of the battle for the old city, an area less than a mile square in the heart of Jerusalem. They holed up in three stone buildings after the Arabs captured their last great stronghold, the Hurva synagogue in the Jewish quarter. Arab foot troops were sent in to root them out. The Jews held out in the face of shelling and dynamite charges before the Arab infantry was call-

Issue Plea For Safe Driving Over Holiday

With many Upland residents looking forward to the Memorial day holiday, Police Chief Eugene L. Mueller today urged all motorists to observe every caution during heavy traffic period.

Several hundred persons are destined to die across the nation during the coming weekend, the Chief said, "lets make sure none of the victims are Upland residents."

"We can, if you'll drive safely and play safely at all times."

All offices of the California Highway patrol will be on duty during the three-day period.

MacArthur To Return After GOP Conclave

WASHINGTON, (AP) — Gen. Douglas MacArthur said today he does not want to return to the United States until after the Republican convention.

The allied supreme commander in Japan so advised Chairman Bridges (R-NH) of the senate appropriations committee in a cablegram. The committee had voted 17-2 to ask him to return from Tokyo and testify on economic matters in the Pacific area. MacArthur told Bridges "My return at this time, however sincere its purpose, would be misunderstood and condemned by many as politically inspired . . ."

MacArthur added:

"On the other hand, following settlement of the political issues to be resolved next month, I should feel free to place myself fully at your disposal if you still desire clarification of my views on this or any other matter affecting the public interest."

Bridges said, "I can see his point of view on this thing." Bridges said he would place MacArthur's reply before the full appropriations committee as soon as possible.

Asks End of Broadcasts

WASHINGTON (AP) — Discontinuance of the "Voice of America", or at least "a breather" in its world broadcasts, was proposed today by Rep. Chenoweth (R-Colo.).

Chenoweth made this suggestion as four investigating groups —one ordered by President Truman—began digging into the rumpus over broadcasts which congressmen say have slandered the United States. The first to begin hearings is a house expenditures subcommittee headed by Chenoweth.

George V. Allen, assistant secretary of state, had just testified to the committee that the present broadcasts are "inadequate" and that tighter supervision is necessary.

General direction of the short wave "Voice of America" broadcasts to foreign nations is under the state department. But the programs which stirred up congress were prepared and handled by the National Broadcasting company under a contract with the department .

Smuts Resigns As Head of South Africa

CAPETOWN, Union of South Africa (AP) — Field Marshal Jan Christiaan Smuts resigned today as prime minister. His party had lost the election Tuesday to the nationalist - Afrikaner combine which favors cutting ties with the British commonwealth.

Dr. Daniel Francois Malan, outspoken isolationist, will form a new government. His nationalist party favors segregating the natives and developing South African minerals under state control.

Malan, 74, and a former Dutch reformed church clergyman, was flying from Capetown to Pretoria, the capital. (His name is pronounced Mah-lahn, accent on second syllable).

Smuts, a mighty voice in British councils and long an advocate of close ties with Britain, commented:

"These things happen. What is to be will be."

Smuts observed his 78th birthday last Monday. He was reported planning to retire to his farm

Report Benes Near Death

PRAGUE, Czechoslavakia (AP) Jan Benes, elder brother of President Eduard Benes, told friends last night the President is "a very ill man and I have paid him last farewells."

Jan Benes said he is returning to his home in Milwaukee, Wis., because of the serious illness of his wife there. The brother returned here from the United States late in 1946 to look after some family properties.

President Benes' 64th birthday is being celebrated today. Wednesday the government denied reports from abroad that Benes is gravely ill and is not expected to recover. Another informant said, however, that Benes' doctors were worried over his condition and were taking precautions to prolong his life.

Jan Benes, who has been a resident of Milwaukee for 59 years, said he planned to leave for the United States in three weeks.

"My son has been writing me desperate letters to come home because his mother is ill," he said. "What can I do but go home?"

He complained bitterly that he was misquoted by a Prague newspaper which reported he had returned to Czechoslavakia because he was dissatisfied with conditions in the United States.

Concession Stand At Park Robbed

Upland police today were investigating the burglary of a concession stand at Upland Memorial park in which candy and ice cream worth $2.50 were taken.

The theft, police said, occurred sometime during the night. Entrance to the structure was made by pushing in the screen on the south side.

Armstrong Wins More Rose Honors

More honors have come to Armstrong Nurseries in Ontario it was revealed today in an announcement made by J. Awdry Armstrong, vice president.

In its awards for 1949, the All-American Rose Selections Inc. has named only two varieties of roses and both of them were originated by Armstrong plant breeders.

Four of the six new roses winning prizes for 1948 came from Ontario. Now with the selection of only two this year, Ontario completely dominates the national rose spotlight

With this overwhelming victory in the national trials, Armstrong Nurseries now holds the unique distinction of having originated more All-America Winners than any other rose breeder in the world.

Ag Students Are Honored

The two outstanding agriculture students of Chaffey High school and college were honored last night by presentation of the California bankers association certificate of merit in the annual Future Farmers' steak bake held at John Galvin park, Ontario.

Recipient of the high school award was John Donnelly, senior and son of D. C. Donnelly, Victoria avenue, Etiwanda.

A Pasadenan who commutes daily between that city and Chaffey was the recipient of the college award. He is Wilmer C. Kohl, college freshman.

The certificates, signed by Governor Earl Warren, are presented annually in recognition of, "leadership, scholarship and agricultural achievement."

Ralph Andrews of the Ontario First National bank made the presentation. Both students were highly praised for their achievements by Rex Wignall, a school head.

Hold Driver After Crash

Two automobiles were badly damaged, and a power pole sheared off when a dozing driver lost control of his car on Ontario boulevard at Taylor avenue, Ontario, early this morning.

Robert Gene Combee, 42, Route 3, Vineyard avenue, Ontario, is being held by police from hit and run property damage.

Combee told officers his eastbound machine struck a parked car, then caromed diagonally across the thoroughfare for some 40 feet and rammed into the pole.

His 1938 Ford sedan was empty when police arrived, but Mr. Combee later surrendered to officers.

Owner of the parked machine is Ernest Leverts, 141 East Eighth street, Cucamonga. The car, a 1937 Plymouth, was parked at 762 Ontario boulevard.

Two persons were hurt last evening when cars driven by John Earl Carmean, 20, 1147 East State street, Ontario and Dewaine Gifford Poore, 17, 1037 West Jefferson street collided at State street

Discuss Merits Of Proposal at Public Meeting

Views Given at Planning Session

The Upland planning commission last night met with a mixed public response on its plan to rename city streets.

In a meeting attended by representatives of the post office, police department and some 20 private citizens, these views were expressed:

Adopting the proposed alphabetic system of street names would make it easier for newcomers and visitors to find their way about the city.

But changes might create more problems than they would settle.

After extended discussion, the planners moved to discharge their nine-man subcommittee and to appoint a second to give the problem further study.

Representtives

Named to the new group were representatives of the police department, fire department, chamber of commerce, post office and the planning commission.

Commission member Wiley W. Mather outlined the tentative proposals of his committee.

It had been suggested, he said, that north-south thoroughfares on both sides of Euclid avenue be named, with each to run alphabetically. For example, First and Laurel avenues might become Atlantic and Acacia; Second and Palm might be Broadway and Beechwood, and so forth.

Alternatives

Several alternatives were proposed in the designation of east-west streets. One is a straight numbering system from the south city limits. Seventh street would thus be First street, and so forth.

Under this plan, only through streets would be numbered.

Interrupted streets between would become "courts", "ways", etc. Vehement opposition was expressed to the proposal of numbers for short streets, i.e., Tenth street, Tenth court, Tenth way, etc.

The planning commission, Mr. Mather declared, holds no brief for or against the plan, but has acted in response to public demand. Ontario, he said, has desclaimed interest in a joint

Seek To Bar Projecting Signs

Commercial and business signs which project into the streets in Upland's business district were hit last night in a communication presented to the Upland Planning commission by the business committee of the chamber of commerce.

The committee, headed by Geo. Haack, seeks to bar erection of any such signs in the future, and made suggestion that the applicable city ordinance be so amended.

Under the proposed amendment, only signs which lie flat against store fronts would be permitted.

Action on the matter was deferred by the commission for further study.

BRIEF HEADLINES

RAIL STRIKE

WASHINGTON (AP)—Judge T. Alan Goldsborough today postponed until June 10 a legal battle betweeen the government and three railroad unions over whether a ban against a threatened rail strike should be continued.

Goldsborough at the same time extended until June 11 a temporary order preventing the unions from walking out.

CONGRESS

WASHINGTON (AP)—Republican leaders today asked senate committees to abandon all except "emergency" meetings in a drive for a June 19 adjournment of congress.

The idea is that with fewer committee meetings senators can give more time to legislation already on the senate's calendar, and so speed action.

REJECT PROPOSAL

LOS ANGELES (AP)—The AFL transportation union in effect today rejected a wage proposal made by the Los Angeles transit lines, but there remained no immediate threat of a strike.

Earlier, union and transit line officials had announced that the existing contract, due to expire next Monday, has been extended until June 6.

TOPPER IS NO MORE AND MANY ON TENTH AVENUE WILL MISS HIM

"Topper" is no more — and many in the community will miss him.

The big black German police dog died yesterday afternoon even though its owners, Mr. and Mrs. Harold Long, provided the best possible care through a veterinarian. It had been hospitalized two days, and the diagnosis revealed "Topper" had been the victim of a bite by a black widow or a scorpin.

"Topper," 7½ years old, spent most of his time downtown and kept a close eye on Mr. Long at his service station, Euclid avenue and A street. Orlan Riggs, his former master, works at a paint shop on First avenue and A street and he visited there frequently.

He liked people and therefore he was attracted to the Upland post office at certain times of the day.

Many people did not know who owned the big, pleasant dog. They will miss him, but most of all will he be missed by the Longs and their neighbors on Tenth avenue.

LIONS CLUB

Upland Has Finest Sea Scout Troop in Southern California

Upland has the finest Sea Scout troop in Southern California on the basis of its advancement and achievements, according to an announcement at the meeting of the Upland Lions club at noon yesterday. The club sponsors the troop with E. Tweed Stone its skipper.

Three awards were given to the troop at yesterday's meeting, one for its top rank in the Old Baldy council of Boy Scouts, one for its supremacy among all the sea scouts in the region comprising the southland and one, a blue ribbon, for its amazing advancement. Presentation was made by James MacNamee, Upland, on behalf of Regional Commodore Robert Baum. The local group missed by only a few points of achieving the highest rank in the nation, it was announced.

The troop has been organized a year and it is the first year-old troop to ever receive the regional honor, known in scout circles as the "Flotilla" flagship.

Joe Seitz, chairman of the club's Sea Scout committee and President Howard Paulin, shared the honors with Mr. Stone in receiving the awards. Other members of the club committee are Francis Wilson, Dewey Cable, and E. T Crooke.

More than 20 members of the Sea Scout group were present, each being introduced by his Lion host. Given special recognition were Torgy Wilson, mate, and Richard Hett, a former active member who is in training with the California maritime academy.

Following the presentations Mr. Stone presented motion pictures of the troop's three most recent sea cruises. The films showed the 10-day trip aboard the "Lady Ada." The next trip involved a navigation problem with half the troop leaving on Mr. Stone's cruiser from Newport and the others leaving on Eugene G. Nisbet's boat at the same time from Long Beach. The designated time for a rendevouz at sea was 10:12 and the leader reported the meeting at 10:05 p.m. Another cruise was on a navy landing craft and included stops at Catalina island and at San Clemente island.

The local sea scout troop, known as Tiger Shark, is one of seven in the Old Baldy council. Thirty-three young men are registered but five of this group are either in the army or navy.

President Howard Paulin was in charge of the meeting with Norman S. Lawson serving as program chairman. He introduced Mr. Seitz.

PICTURES OF SCENIC POINTS ENTERTAIN CHAFFEY WIVES AT FINAL MEETING OF YEAR

Presenting the program for the final meeting of the school year of the Chaffey Faculty Wives club, Lloyd Parratt showed a portion of his outstanding collection of colored pictures featuring scenic points of vacation interest, particularly the national parks.

Mr. Parratt is senior naturalist at his station at Glacier National park during the summer months, and teacher of botany and biology at Chaffey high school.

The meeting was held last night in the Little Theater at Chaffey, and the husbands were invited to be guests.

During the business session, recently-elected officers for the coming year were installed by Mrs. Isaac Funk, retiring president, and each was presented with a corsage.

Mrs. Arthur Flum is the new president; and other officers seated are Mrs. Jack White, vice president; Mrs. George Beardwood, secretary; and Mrs. Harold McCreight, treasurer.

Refreshments were served at the close of the evening. Mrs. Funk presided at the punch bowl.

Mrs. Ernest A. Payne was chairman of the hostess committee and was assisted by the Mesdames Harold W. Cook, Harry Couzins, Francois d'Artenay, Lawrence Elliott, Ralph Miller and Ernest R. Camfield.

Hollywood (AP) — They'll transform the Hollywood Bowl into a bit of Switzerland the night of June 5.

Swiss singing societies from throughout the west will hold a singing and yodeling festival including a massed chorus of 400 voices and a pageant depicting the Swiss May-time custom of taking cattle to the Alpine meadows for summer grazing.

The only three alphorns in the nation—they're wooden instruments 12 feet long and extremely difficult to play—will be heard.

Priscilla Club Ends Season With Luncheon

Gathering for their final meeting before the summer vacation, members of the Priscilla club were guests yesterday of Mrs. Mary Gillingwators at her home, 1083 North Benson avenue.

Following the contributed luncheon, the members enjoyed a social afternoon, and the hostess displayed a number of her paintings.

Guests of Mrs. Gillingwators included Miss Ann Rohrig, and the Mesdames Mary B. Baker of Pomona, William Rohrig, L. R. Bradley, Leon Durham, Blanche Loch, Jennie Cromer, Bessie Hardt and Sadie Rider.

The group will resume meetings in September.

$25,000,000 EXPANSION PROGRAM WELL UNDER WAY

HAVE you any idea how many dollars it would take, stacked coin on coin, to make a column that high?

The answer is "approximately 25 million of them"—the amount this company is spending to improve and expand telephone service in the 82 communities it serves.

This huge expenditure has been made necessary by the unprecedented growth of Southern California and the increased demands for telephone service which have required expansion of our entire plant and replacement of 20 of our 49 central offices with entirely new equipment.

This program has been going forward steadily for many months. Much has been accomplished—a great deal remains to be done. New buildings must be built; central office apparatus engineered, manufactured and placed in service; new cable lines installed; and new personnel employed and trained. It takes time and intelligent effort as well as money to carry on so vast a program.

Our goal, however, is in sight. That goal is adequate, efficient, rapid telephone service for all who desire it—the sort of service you want—the sort we like to provide.

Plan To Rename Upland Streets Threshed Out Before Planners

street-naming plan. For that reason, any action taken must be Upland's alone.

Numbering

Whether a street renaming plan can be worked out without disturbing present street numbers was a point raised.. Street numbering changes, a post office representative warned, will result in a flood of returned mail.

Surveys

Commission attention once again last night was focused on the question of lot sales via records of survey.

This oft-agitated problem bobbed up in connection with proposed paving of a portion of Thirteenth avenue in the Cutler subdivision south of Ninth street.

As he has in the past, Planning Consultant Charles Eliot warned council that sales of this sort are in many cases a subterfuge to avoid installation of improvements required in the subdivision act.

The matter of the Cutler subdivision was re-referred to the commission by the city council. Owners of that tract propose paving of half of Thirteenth avenue through their tract.

After discussion, the planners asked the owners to get together with holders of adjoining property in an effort to get all of the street paved.

Discussion of records of survey was continued when City Manager R. G. Manley read a communication from Robert A. Covington, county planning director.

Values

Mr. Covington's letter called attention to "the large number" of surveys being granted in Upland. Many, he said, are for irregularly shaped tracts which will inevitably tend to lower property values in the area.

Creation of an A-1-B zone in a tract of land laying north of Foothill boulevard on Campus avenue near the rock crusher was approved on second hearing after amendments.

This area, owned by citrus interests, is intended for future use in housing field workers. The amendment adopted, offered by Mrs. P. W. Rohrbaugh, strikes the word "hotel" from the list of dwellings permitted in the zone.

Concur

Purpose of the amendment, Mrs. Rohrbaugh said, was to prevent large numbers of single men from being housed in the area. Citrus representatives present concurred in the action.

Two plats, of one lot each, were approved by the commission. One is for L. T. Walker on property located on Eighth street between Sultana and Campus avenues. The second was for G. T. Schricker at Twenty-fourth street and San Antonio avenue.

A plat submitted by Joseph Morgensen for two lots at Arrow highway and Benson avenue, was deferred.

Surveyor J. Richard Newton appeared for the property owners.

Epic Battle for Old Jerusalem Comes To End

ed up and instructed to "accept unconditional surrender or wipe out the enemy".

Surrender Terms

Under the surrender terms the old city's women and children, estimated to number about 300, and the old men of the Jewish quarter will be turned over to the International Red Cross.

The younger men will be placed in a concentration camp outside Palestine, it was annuonced.

Jewish negotiators said their people in the old city numbered between 1,500 and 1,600.

As the battle rose in intensity, the Jews assailed a new British proposal for a four weeks' armistice as an alliance between the British and the Arabs. Thus it appeared headed for failure.

In London an alternative plan for splitting Palestine was reported under consideration, but a foreign office spokesman said he did not wish to discuss the subject of new plans.

Big Struggle

Thousands of Arabs and Jews are reported engaged in the struggle to control the key road from Tel Aviv to Jerusalem. Latrun is a key point, 15 miles west of Jerusalem. In Tel Aviv, Jewish military security guarded the details of the battle.

The Arab Legion is reported to have drawn troops even out of embattled Jerusalem and rushed them through the Bab El Wad Gorge in an attempt to stem a Jewish attack.

At Lake Success, the British called for the four weeks' armistice in the Holy Land during which no arms or fighting men would be permitted entry. In that period a last try would be made to restore peace to Palestine.

An Arab spokesman commented that the plan had "an ethical approach".

U. S. Plan

Just before the British proposal was made the Russians resubmitted an American plan under which the Jews and Arabs would be given 36 hours to stop fighting or face strong U. N. measures for ending the warfare. The Jews favored the Russian plan but the Arabs did not.

An Israeli spokesman said the failure of the United Nations cease fire efforts means the Holy places in Jerusalem undoubtedly will be reduced to rubble.

Flood Death Toll Increases

By The Associated Press

Flood waters—the worst since 1894—drove new hundreds from their homes in three Pacific Northwest states and Canada today.

Damage mounted into the millions and the death toll from the floods and accompanying storms rose to 13.

Latest victim was Ludvig Brunner, 11, who was carried to his death in a flood-swollen stream at Spokane, Wash., while swimming.

Worst hit was the Fraser valley of Western British Columbia. The Canadian navy was preparing to launch all available small craft for evacuation of flood-swept Fraser valley inhabitants.

Naval officials said they were ready to send big units from the Esquimalt base near Victoria, B. C., if the critical flood situation worsened.

national non-profit group with test gardens throughout the entire United States. A competent judge is in charge of each garden and scores all new roses, both American and foreign, over a two year period. All-America trials are the yardstick by which rosarians judge the relative merit of new rose introductions.

Mr. Armstrong states that the varieties winning awards for 1949 are Tallyho, with a color entirely new in roses, and Forty-niner, a brilliant bi-color. He describes Tallyho as a bi-color with just enough contrast to be pleasing, the inside of the petals being a delicate pink while outside they are brilliant crimson. Other characteristics are great vigor, fine form in bud and flower, and a rich spicy fragrance. Forty-niner is described as the most brilliant in contrast of any bi-color so far introduced. The petals are of flaming crimson with the reverse a bright straw yellow. Unlike the fading colors in previous bi-colors, those of Forty-niner are lasting.

Tallyho and Forty-niner are the results of crosses made by Herbert C. Swim who heads the Armstrong plant breeding and research activities.

Probation Officer Named

Ronald Hewitt, Klamath Falls, Ore., has been appointed as San Bernardino county probation officer, the county civil service commission announces.

Miss Velma Brewster, formerly assistant probation officer, has been advanced to the position of chief assistant probation officer.

The appointments were made as a result of recent civil service examinations in which Mr. Hewitt placed first and Miss Brewster second.

Both drivers told police they did not see the other until too late to avoid the crash. Mr. Carmen's machine was westbound on State street while the Poore car was northbound on Garfield.

The second car was carried 45 feet by force of the impact.

Mr. Carmean suffered contusions of the left shoulder and chest. He was dismissed after x-rays at San Antonio Community hospital.

Also injured was Bobby Ruth Ellis, 19, 1157 East State street, with contusions of the chest and hip. Mrs. Ellis was also dismissed following treatment.

Ontario Man Serious After Fall in Hotel

O. B. Blankenship, 64, 212 South San Antonio avenue, Ontario, was said in poor condition today at San Bernardino county hospital following a probable heart attack.

Mr. Blankenship was rushed to San Antonio Community hospital at 4:30 last evening when he fell in the bar of the Ontario hotel.

Physicians said he had a possible basal skull fracture, incurred in the fall. He was also suffering from shock. The patient was transferred to County hospital following emergency treatment.

DEATHS

GEORGE H. CLARK

Upland friends have received word of the death of George Howard Clark, former Upland resident, who passed away Thursday afternoon at his home in Santa Barbara after a long illness. Direct cause of his death was embolism.

The Clark family left Upland about 18 years ago. Their home here was at the northwest corner of Euclid avenue and Eighteenth street, the property later acquired by the late D. J. Cameron.

Surviving Mr. Clark are his wife, Della Clark, and two sisters in Rochester, New York. Funeral services will be held tomorrow afternoon at 2 o'clock in Santa Barbara.

State Second In Agriculture

Washington, (AP) — Twelve states, including California, Texas and nine in the middle west, have 57 per cent of the nation's farm wealth as measured by the cash receipts from marketings.

Analysis of the agricultural departments figures for the full year 1947 shows that these states had cash farm receipts of $17,172,253,000, while the other 36 states—three fourths of the total—marked up $13,002,491,000.

The twelve states, in the order of their farm income status, are Iowa, California, Texas, Illinois, Minnesota, Kansas, Nebraska, Missouri, Indiana, Ohio, Wisconsin and New York.

All of the nine midwest states in the top dozen had 1947 income totaling more than $1,000,000,000 each. California and Texas were also in the billion dollar class, but New York failed to make it.

DON'T MAKE HIM DEMO OLSON'S PLEA

Sanger, (AP)—A. B. Olson doesn't especially want people to vote for him at the next Tuesday's primary election—at least not for the office for which he appears as a candidate on the ballot.

Through an error in printing ballots, Olson, a staunch Republican, is listed as a candidate for the Fresno county Democratic central committee.

He is asking his friends to write in his name on the Republican ballot. Says he, "Please, for Heaven's sake, don't let them make a Democrat out of me."

Says California Claim Unjust

Washington, (AP)—An Arizona senator claims California is seeking Colorado river water to develop lands that are mainly unfit for irrigation.

Senator McFarland (D) told a house judiciary subcommittee that the bill to send the Colorado river dispute to the supreme court for decision is a "ham-stringing" resolution intended to block the proposed Central Arizona reclamation project.

California and Nevada congressmen are sponsoring a bill which would direct the attorney general to seek supreme court adjudication of the question.

DOROTHY THOMPSON — Germans Want Bread, Hope Not Communist Idealogies

As our relations with Great Britain become seriously strained over Palestine and cooperation between the European states proceeds lamely—rendered cautious by fear of war and uncertainty of American policy—secret negotiations and friendly visits have been going on between communist leaders of the Russian zone of Germany, the communist government of Poland and a representative of the Soviet Union with a view to making frontier corrections in favor of "a progressive and democratic Germany".

Thus, the German communists, who have been allowed to emerge as leaders in the movement for German unity, expect also to come forth with firm assurances of the restoration, in part, of the provinces whose alienation from the reich has rendered millions homeless and taken bread from the mouths of millions more.

This might not be serious if conditions in the western zones were such as to give hope for a tolerable future. But, three years after the ending of hostilities, the condition of the population is desperate. Semi-starvation is universal. With man-hour production down to less than half of normal, there is not a vestige of really responsible self-government. There is nothing resembling an organized economy. Money is worthless. The smallest economic process is tangled in unbelievable red tape. The country swarms with "wild children". In fact, little has modified the picture presented in the Hoover report which died so extraordinarily speedy a death.

If there is anywhere that the American people are directly responsible it is in Japan and Germany. "Unconditional surrender" was an American idea carrying onerous obligations. Yet the American people show little interest in facing this responsibility, or enduring fundamental criticism or even knowledge of facts concerning Germany today.

I know of only one book on post-war Germany which sets forth, in scholarly manner, and with an impressive array of facts and figures, the misconceptions on which our policy has been based. It is a picture of German biological, moral, material and financial destruction; a comprehensive account of the Soviet zone. The facts about reparations and war potential are written against a thorough knowledge of German pre-Hitler history, politics, and economy.

That is Gustav Stolper's "German Realities".

Dr. Stolper, who died suddenly just as the book was finished, was uniquely equipped to make this study. Before 1933 he was a member of the Reichstag and the founder, editor and publisher of the ablest weekly of economic analysis on the European continent. He, therefore, was familiar in minute detail with German history and political and economic structure.

When he came to America in '33, he became a citizen and made a second distinguished career here as an economist. During many weeks as adviser to the Hoover commission he was able to use his immense intelligence and energy to assemble more facts than anyone else has put down for the American reader since the war. His book, consequently, is essential to anyone who wishes to understand what is happening in Germany and why.

Yet this book, which appeared in March, has been all but assassinated by the critics, apparently because they could not endure having the assumptions on which our policy has been based vigorously challenged at nearly every point.

Yet unless or until those assumptions—most of which we took from the Morgenthau-Revengists and the Marxists—are modified, and unless or until western Germany has a responsible central government, and the European states are prepared to take Germany in on equal terms, enabling an unhampered German economy to work for all Europe, there will be neither German nor European recovery.

The German people do not want communism. They want bread, hope, freedom, and an opportunity to belong to Europe and contribute to sanity and prosperity. Failing this, a new nationalism encouraged by the Russians certainly will, sooner or later, emerge in the form of national bolshevism, after which God help the world.

FRED PRICE

ASSEMBLYMAN, 72nd District

Fred Price has been our assemblyman for six years. The record of that service in the legislature at Sacramento is an open book for all to read. In the judgment of his colleagues it is a fine record of devotion to the interests of his county, its farmers, its housewives, its business interests, its workers.

Today Fred Price is a senior member of the legislature. His seniority has given him important committee assignments and chairmanships. These assignments have given Fred Price the opportunity to better serve our interests.

We are proud of the Fred Price record. We recall his bill which brought $700,000 for Lytle and Cajon creek flood control. A veteran himself, it was our assemblyman who offered the first bill to give the returning war veteran his employment back. It was Fred Price who looked ahead and offered the first bill setting aside state funds for postwar public works. Again it was Fred Price who supported so effectively increased state aid for schools thus lowering the percentage load carried by local property.

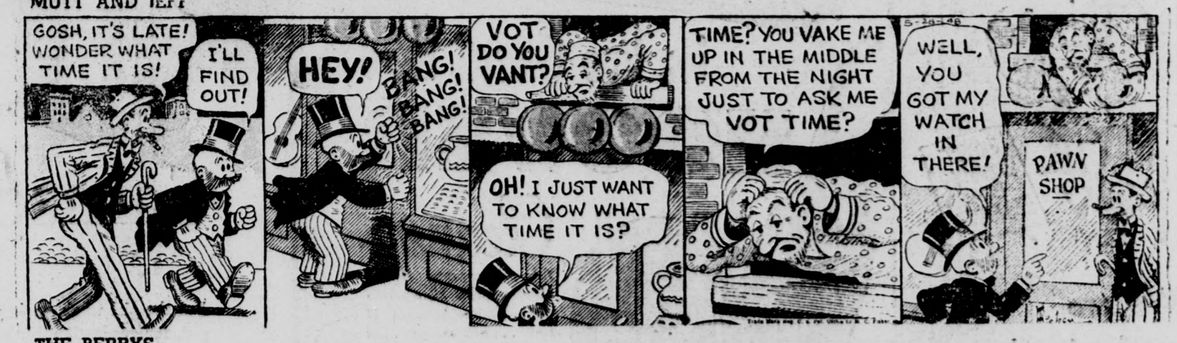

A vote for Fred Price June 1 is a vote to assure two years more of this service.

We write this in the forlorn hope that fair play and/or a square deal may be brought about. Once before we hanged the typewriter keys about this very sad situation and it never got as much as a small ripple.

Here's the $64 question with quite a few added bucks thrown in. Why does the City of Ontario, through its management of the John Galvin park, allow this to happen? To-wit: San Diego Padres of the Pacific Coast league trained at Ontario, with the Santa Rosa club following them into the park. For the privilege of using the park, each club paid the City of Ontario . . . guess what! Exactly $1.00 (one slug).

The city spent quite a few dollars getting the park into shape (and this isn't for last year alone, but ever since the L. A. Angels first came to Ontario before the war), and have men working keeping the field in a velvet condition for baseball (not softball).

So what do the city fathers of Ontario do? Why they only charge the owners and the players of the Ontario Rockets a big-hearted $25.00 each and every night they play.

Of course, the players on the Ontario Rockets only live here, own homes here, pay taxes here, support the town, send their kids to school and spend their paychecks here. The players on the visiting Padres and the Santa Rosa clubs actually have been spending a few nickels on newspapers and one rebellious player was seen buying a short beer.

The San Diego management thought so little of the deal that they said they wouldn't be back next year, "unless thhe players' quarters were enlarged and better showers and accommodations provided for".

But the local Rockets have to pay $25.00 every game to play, and they don't even use the showers or players' quarters!

Take a six weeks period when the Padres, for example, have the field, and using it every day, as they do, it would cost them, if charged the same as the Rockets have to pay, $1,050.00 for the time spent at Ontario. (We realize that the night games of the Rockets cost more because of the use of the mazada's). Do you think that San Diego would train here if they had to pay this sum? Neither do we.

The city council of Ontario and the city recreational program should give this program a thorough going over, and this is also the opinion of several un-biased observers who think the Rockets are getting "short-changed", and that they should be given a better shake by the powers-that-be. Like the Supreme Court of Justice, we are just interested in seeing that justice prevails, and it doesn't look as if it is, in this case. . We rest our case, Your Honor .

P. S.—Last year the Rockets had to pay $35.00 per night for the park. Apparently, the local kids got it this year "wholesale"!

Angels Dump Seals, 7-0

(By The Associated Press)

The Los Angeles Angels of the Pacific Coast league can absorb four-hit pitching by Manny Perot.

The Angels were the victims of four-hit pitching my Manny Perez of the San Francisco Seals on Wednesday night, but they came back last night behind Lee Anthony's equally good twirling to wallop the league leaders, 7-0.

The Angels hammered four Seal moundsmen for 13 blows.

Two games were decided in extra innings. San Diego came from behind to trip Sacramento, 2-1, in 10, and Oakland defeated Hollywood, 7-5, in a protested game that went 11 frames .

The Oaks climaxed three hours and 10 minutes of play by shoving across three runs in the 11th and then cut short a Hollywood rally at one run in the last half.

Hollywood Manager Jimmy Dykes protested the game in the ninth when the score was knotted at 3-3.

Brooks Holder led the inning with a single and moved to third of a sacrifice and infield out. Maurice Van Robays walked. Holder scored as Lou Stringer fumbled Les Scarsella's grounder when he and Van Robays collided.

Dykes said Van Robays violated the rule which states a base runner must try to avoid a fielder when the latter is attempting to catch the ball.

Rocket String Snapped, 6-3

It had to end sometime.

Ontario's Rockets might have consoled themselves with that bit of philosophy last night as they got up off the floor after a 6-3 drubbing at the hands of the San Berdoo Prop Room at Perris Hill park.

Since the American nightball season opened May 3, The Hannamen hadn't lost a ball game in seven starts.

Jeff Benner was the pitching victim last night. He went out in the fourth, when four consecutive hits by the Proppers, including two doubles, sent a quartet of tallies over the platter.

Ontario scored single runs in the first, fifth and eighth. The latter was an inside-the-park homer by Norris Hannah.

Their second inning marker came when Monnie slapped a single to score Gardner. Wally Wasmuth and Benner got two hits apiece to lead the bat parade.

Howard Coates, Big Jeff's successor, allowed but one run in the last four frames. He struck out three, the same number as Benner, and passed one. Frank Meriscal, starting, finishing and winning pitcher for the Prop Room, had five strikeouts, and permitted eight hits.

In other loop games last night, Etiwanda bounced the Colton Cementers, 7-4, and the surprising San Jacinto Nighthawks bombarded the Pomona Pioneers, 11-5.

A's Home in First Place

(By The Associated Press)

Connie Mack's Athletics are safely home in first place, fooling the wiseacres who said Philadelphia would fade in the west. Winners eight times in 13 starts since leaving friendly Shibe park, the Mackmen must be considered bona fide pennant contenders.

It looked bad when their 10-game streak was snapped in New York the first day out, but they rallied and swept a double-header. Cleveland belted them two in a row and Detroit's Freddie Hutchinson handed them a third straight loss before they got going.

The A's smeared Washington last night, 7-3, to move a full game in front of the idle Cleveland Indians.

With the New York Yankees coming in tonight a new Shibe Park attendance record may be set.

Stan Musial polished off his sensational eastern swing with two hits, including his 10th homer, in the St. Louis Cards' 9-6 victory over the New York Giants.

Red Schoendienst's bases-loaded single was the big blow for the Cards as they scored four runs in the ninth.

The Brooklyn Dodgers ended another one-day stay in the National cellar, climbing to sixth place by shading Chicago, 4-2. Pee Wee Reese stole home on Russ Meyer with the winning run.

Curt Simmons, the Phillies' $60,000 bonus lefthander, finally hit his stride with a fancy three-hit win over Pittsburgh, 2-1.

Those were the only games scheduled.

Van Fleets Play At Bloomington

The Upland Van Fleets, who usally play their "away" games in the Central softball league on Thursdays, will do battle tonight instead.

The opponent is the Spud's Cafe nine of Bloomington, the same outfit which opened the season here last May 3. Upland was on the short end in a tight contest in that one.

In last night's fray, the unbeaten Cedar Lumber of Bloomington continued their winning ways in a 4-3 conquest of Highland.

NEVER QUIT LOSER SAYS McCARTHY

BOSTON (AP) — When Joe McCarthy was queried about rumors that he was about to retire as manager of the Boston Red Sox, he replied, according to a Boston writer traveling with the club:

"I may have jumped a winning team, but I never jumped a loser."

The statement was made in Washington.

The winners were the New York Yankees that Marse Joe abandoned early in the 1946 season to retire.

MACK SEES YANKS WINNING FLAG, PUTS RED SOX FIFTH AND BROWNIES SIXTH

WASHINGTON (AP) — They must be laughing in St. Louis today with Connie Mack's prediction the Boston Red Sox will finish only one notch above the supposedly hapless Browns in the American league.

Mack picked the New York Yankees to win the pennant with Cleveland second and his own club third. He said Detroit looked like a good fourth, with Boston fifth, St. Louis sixth, Washington seventh and Chicago last.

New York, says the 85-year-old Mack, will win the flag because they can "combine power with good pitching". He added:

"Boston's pitching has cracked but the Red Sox power should allow them to make fifth place.

Despite the sale of those players the Browns are a pretty good ball club. I pick them sixth."

President Don Muckerman and his manager, Zach Taylor, probably aren't optimistic enough to feel the Browns will maintain their present fifth place standing above the seventh place Red Sox, but they're sure having fun while it lasts.

The SCOREBOARD

PACIFIC COAST

Oakland 7, Hollywood 5, 11 innings
San Diego 2, Sacramento 1, 10 innings
Los Angeles 7, San Francisco 0
Portland at Seattle postponed

AMERICAN

Philadelphia 7, Washington 3
Only game scheduled.

NATIONAL

St. Louis 9, New York 6
Brooklyn 4, Chicago 2
Philadelphia 2, Pittsburgh 1

PCC Meet Set Tonight

LOS ANGELES (AP)—The University of Southern California is heavily favored to capture its eight consecutive Pacific Coast conference track and field championship tonight when the spiked shoe clan from the 10 member schools hold their first post-war tournament.

Several stars are strong candidates for the American Olympic team.

Unless things go badly amiss, Coach Dean Cromwell's lads will make his last conference bid a winning one, and UCLA, Stanford and California will battle it out for second place.

Disqualification of Mrs. Canning Stands

PARIS (AP) — The tournament committee of the French International tennis tournament reiterated today that its decision disqualifying Mrs. Patricia Canning Todd of LaJolla, Calif., stands.

"We are standings by our decision," a spokesman said . "But we are prepared to reopen the case if there are any new elements."

Mrs. Todd, the defending champion, refused yesterday to play her semi-final singles with Mrs. Nell Landry on a side court.

TOUGH SCRAP

NEW YORK (AP)—Sports writers seem to be generally agreed that the third Rocky Graziano-Tony Zale middleweight championship fight June 9 will be another knockdown, dragout scrap.

Deal Brewing To Put Anies in Berdoo

With the deal to transfer the Anahcim Valencias franchise to Ontario apparently stone cold dead in the market, Sacramento Solon officials have been sounding out a San Bernardino sports group relative to taking over the club for that city.

It will be recalled that Ellsworth "Babe" Dahlgren attempted to transfer his Orioles there earlier this year, but was unable to come to terms for use of Orange show stadium.

TALES

(Continued from Page 1)
Monday morning so that the early press time can be met. All items for the society page should be called in before noon tomorrow, although some late calls will be taken until 8:30 a. m. Monday. The sports page will close at 8 o'clock Monday morning.

UNTIL MONDAY
With a whole weekend left in which to recover, we hope that we will be in better shape come Monday and return to our normal dribble again. Thanks a lot for your tolerance during our period of prospective fatherhood.

GOLD STAR MOTHERS
Ben Adams, manager of the Grove theatre, is offering free admission to all Gold Star mothers in the area on Memorial Day and in checking discovered that no Gold Star Mothers organization exists in Upland.

For that reason, he suggested this morning that all eligible mothers meet at the Grove theater at 3 o'clock Monday and form one there. Admission is free to all Gold Star mothers and here would be an opportunity to get the group organized.

LATHROP PLUG
We see where "The Watchman" in the L.A. Times gave another plug to Lowell Lathrop this morning. He quotes Lowell as standing for European relief but questioning the advisability of putting foreign nations on relief. Here's a part of what Mr. Lathrop's statement said:

"I find, however, after talking to many people in the district that a lot of Americans are getting tired of keeping entire foreign nations on relief, as it were, while we have plenty of unsolved 'relief' problems at home here—housing, high food and clothing prices . . ."

Uplander Named To District Post

Earl F. Riggs, 1371 West Seventh street, was elected a department commander of Sons of Union Veterans of the Civil War at their recently-concluded state encampment of the organization held in Sacramento.

Mr. Riggs is a member of A. Podrasnik Camp No. 15, Ontario. Meeting with the Sons of Union Veterans were their auxiliary and the Grand Army of the Republic.

Charles Chapel, 100, one of California's six surviving Civil War veterans was elected commander at the meeting.

The first class of the second group of dog training classes will be held at San Antonio park, Twenty-fourth and Mountain avenue, tonight, at 8 o'clock.

Between 10 or 12 dog owners and their animals are expected to attend. Others who haven't signed up but would like to enroll may also attend tonight. Spectators are also welcome.

Millions Observe Holiday in Nation

(By The Associated Press)

The nation started an extended Memorial Day holiday today and vacation lands and big cities alike lured millions away from their homes.

All indications ponited to a heavy volume of traffic over the airlines, highways and railroads from today through Monday. The Memorial Day holiday, generally regarded as the opening of the summer vacation, is the first long one of the season.

Y's Men Discuss Hobbies at Meeting

Landis, Miriam Bernice Landis, Helen Beatrice Logan, Marilyn Joyce Minter, Paul Ludlow Musser, John J. Overholt, Betty Ruth Price, Katharyn Louise Rickel, Don E. Rohrer, Levi A. Strubhar.

APPLICATION

PLEASANTON (AP)—Action on the application of George Pepperdine college of Los Angeles for admission into the California Collegiate Athletic association will be taken by the CCAA in its annual meeting.

Beulah College Is Pictured From Air

Pictured on this page is an airplane view of the Beulah college campus and its many buildings. Most of the structures in the vicinity of Arrow highway and San Antonio avenue are new or still under construction. The administration building and the girls' dormitory are among the original buildings, all other structures being erected in the recent expanded program.

The college campus is about half a mile west of the famous Euclid avenue in Upland.

INVENT NEW BEAN PICKER

Davis, (AP)—A bean cleaner so efficient that beans can be packed directly into the bags without the necessity of handpicking remaining dirt has been developed by farm engineers at the state agriculture college.

C. E. Barbee and H. B. Walker, the inventors, said the machine leaves less than one-half of 1 per cent of dirt, thereby grading the beans as of no. 1 quality. Often only a fourth of 1 per cent dirt remains.

The handpicking necessary is with seed beans or edible beans of better than no. 1 quality, both of which must be 100 per cent free from dirt.

The new machine recovers both extra large and small beans, formerly lost, and there are fewer split beans. It works on smooth beans and its inventors say it offers promise for wrinkled varieties and peas.

The machine consists of a metal drum with sawtooth groves the entire length into which the beans drop. The irregular-shaped pieces of dirt stick in the groves and are carried around until they drop off gravity. The smooth beans are brushed off onto a belt below. Its power requirement is about three horsepower.

Sets Record for Weightlifting

MOFFETT FIELD (AP)—Peter Zafer, aviation machinist metalsmith from Erie, Pa., lifted 422 pounds in a strength show at this navy base last night to exceed the world record of 400 pounds for shoulder bridge lifts in the light heavyweight class.

Zafer, who weighs 177, also tied the world record for the heavyweight class.

OPEN HOUSE MONDAY

Beulah College Preparing To Enroll 300 Students on Enlarged Campus

(Continued from Page 1)

Yet to be completed are the gymnasium and a classroom building and the new mechanical arts structure is up to the plastering stage in its construction. Already finished are these buildings; home economics, science, dining room and kitchen and chapel.

Ground will be cleared during the summer for a new athletic field on a 2½ acre site recently donated to the college by J. P. Bert. The playing field will provide for football and indoor baseball activities, in addition to other sports.

With the main administration at Arrow highway and San Antonio avenue, the enlarged campus extends south on San Antonio avenue and west on to Alpine street. The college student store and other property are also on Arrow highway west of the administration building. The new athletic field is on the north side of Arrow highway a short distance west of San Antonio avenue.

Enrollment at the college during the year just closing was 190 and prospects are bright for a near capacity student body next fall. The 100 mark was the usual size of the student body up until the last few years.

THERE'S MORE PLEASURE SHOPPING BETWEEN 10 and 4

What a difference in shopping between 10 and 4 rather than trying to continue on until closing time at 5 or 6 p.m.! Between 10 and 4 both you and store employees are fresh and cheerful—then shopping is a real pleasure.

X VOTE and Vote EARLY! JUNE 1st

Avoid "Rush Hour" Traffic

You'll find more seats available, more comfort and convenience—more time for selecting merchandise—and by leaving for home before 4, you can have "dinner on time"—a happy end to your shopping day.

Drivers Getting Ready for Race

INDIANAPOLIS (AP) — Owners, drivers and mechanics of 34 unqualified cars at the Indianapolis motor speedway are working under increasing pressure to get ready for final trials tomorrow for the 500-mile race Monday.

Only three places remain to be filled in the 33-car starting line-up.

SAN BERNARDINO (AP) — After 19 years of marriage, actor Edward Arnold has filed suit for divorce from Olive Emerson, former concert singer.

LEADS

LOS ANGELES (AP)—Former national amateur champion George Von Elm of Los Angeles led a field of more than 250 golfers today as the two-day sectional qualifying competition for the National Open championship entered the final round.

A small shoulder of lamb, when boned and rolled, makes a good roast for two. Serve it with fresh or mashed potatoes.

Rhubarb sauce is delicious served over sponge cake and topped with whipped cream. Use brown sugar instead of white in cooking the rhubarb for a taste change.

NELSON LEIGH
He will enact the part of Jesus in the forthcoming Pilgrimage Play.

NELSON LEIGH, PILGRIMAGE PLAY ACTOR, WILL SPEAK AT ONTARIO FOURSQUARE CHURCH

Speaking Sunday evening at 7:30 o'clock at the Ontario Foursquare Gospel church will be Nelson Leigh, who plays the part of Jesus in the world-famous Pilgrimage Play.

The play, a reverent transcription of the four Gospels, giving in dramatic form a moving story of the life and teachings of Jesus Christ, will open its 21st season July 8 in the Pilgrimage Play bowl, Hollywood.

More than one million persons have attended the play, which is the only one which covers the span of years in which Jesus carried on His ministry in the hills of Judea.

Nelson Leigh has enacted the part of Jesus 300 times in seven seasons. An actor of wide experience on the stage, Mr. Leigh recently completed a nationwide tour with Maurice Evans in the play "Hamlet".

A cast of 120 persons is required for the play, which is lavishly costumed. A special feature of the production is the lighting, which transforms the scenes into living pictures of unforgetable beauty.

The Pilgrimage Play is produced by the Hollywood Bowl Theater association, an affiliate of the Hollywood Bowl association. It is offered on a strictly non-profit, non-sectarian basis, and is presented as a civic enterprise. It touches the lives and hearts of countless thousands every summer and brings them closer to the teachings of Jesus.

A pound of green snap beans gives about three cups after the ends are trimmed and they are cut for cooking. This amount will serve four to six.

Talks on Church To Continue At Church of Christ

The series of sermons on "The Church That Jesus Built" being given by Lloyd E. Ellis, minister of the Upland Church of Christ, will continue through June. On Sunday morning he will speak on "The Organization of the Church."

His Sunday evening subject will be "The Wonders of Christ's Love".

Three were baptized last Sunday.—Miss. Vera Morris and Mrs. Lou Reba Ward, Ontario, and Miss Winnie Bushby, Pomona. Since the baptistery in Upland has not been completed, a large group from the Upland church went to Pomona in the afternoon, where they heard S. H. Hall in a special meeting, after which the baptisms took place.

Rev. Salzman Will Preach on "Pillars And Pioneers" Sunday

The Rev. Earl Salzman, pastor, will preach on the theme, "Pillars and Pioneers" at the 10:30 o'clock worship service Sunday morning at the First Mennonite church. The choir will sing "O Savior of the World" (Pears).

The Christian Endeavor societies will meet at 7 o'clock, with the Rev. Mr. Salzman having for his evening sermon topic "The Individual is the Key to the Problem".

Robert Adler will be at the organ, Bruce Boshart will lead congregational singing, and Mrs. Roy Cabe will give a vocal solo.

Free Methodists To Observe Memorial Day

A Memorial Day message, "Isolation vs World Vision", will be brought to members of the First Free Methodist church of Ontario by the Rev. William A. Hulet at the 10:50 o'clock service Sunday.

Byron Roberts will be in charge of a temperance program for the Sunday school at 9:30 a. m.

"Wound Stripes" will be the sermon subject for the 7:30 p. m. service.

Beulah College Baccalaureate Sunday Evening

Baccalaureate service for Beulah college will be held Sunday evening at 7:45 o'clock at Upland Brethren in Christ church. Dr. Jesse F. Lady, president of the college, will be the speaker.

Bishop J. H. Wagaman will bring the message at the 10:45 o'clock service in the morning.

There will be no young people's meetings.

Methodists Will Hear Rev. Heilman

The Rev. Karl K. Heilman, pastor, will address his congregation of the First Methodist church on "The Covenant of Memory" at the 11:00 o'clock morning service Sunday.

His topic at 7:30 p. m. will be "What Crristianity Has to Offer".

Christian Science Text Denounces Hypnotism

The Golden Text of the Sunday Lesson-Sermon in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston, is from Revelation and reads, "He that overcometh shall inherit all things; and I will be his God, and he shall be my son." "Ancient and Modern Necromacy, alias Mesmerism and Hypnotism, Denounced" is the subject.

A Scriptural selection from Matthew reports that there "was brought unto" Jesus "one possessed with a devil, blind, and dumb: and he headel him, insomuch that the blind and dumb both spake and saw.....But when the Pharisees heard it, they said, This fellow doth not cast out devils, but by Beelzebub the prince of the devils. And Jesus knew their thoughts, and said unto them, Every kingdom divided against itself is brought to desolation;.....And if Satan cast out Satan, he is divided against himself; how shall then his kingdom stand?.....But if I cast out devils by the Spirit of God, then the kingdom of God is come unto you."

Memorial Day Sermon At Bethel Church

Memorial Day will be observed at Bethel Congregational church, Ontario, and the minister, the Rev. Donald W. Head, will speak on "A Narrow Minded Patriot."

Music will be appropriate for the occasion. Organ numbers are "Voluntary" (Rudic) and "Meditation" (Massent). The choir will sing the anthem, "Souls of the Righteous" (Noble), and the solo by Bette Boggs will be "There Is No Death" (O'Hara). S. Earle Blakeslee is organist-director.

Dr. Rufus W. Oakey Will Preach To Presbyterians

"Price Tags and Adoring Love" is the sermon topic announced by Dr. Rufus W. Oakey, pastor, for the Sunday morning service at the First Presbyterian church.

The college age group will meet at 6:30 o'clock.

"Christian's First Love" Subject at Redeemer Lutheran

Sunday school for children of all ages, as well as junior and senior Bible classes, opens at 9:30 a. m. at the Redeemer Lutheran church, 845 North Euclid avenue, Ontario.

The Rev. A. T. J. Irmer, pastor, will speak on "The Christian's First Love" at the 10:45 worship service, and there will be Holy Communion.

Special Services At Foursquare Church On Sunday

The Rev. Earl Ledbetter of Los Angeles will be guest speaker Sunday at the Upland Foursquare Gospel church. There will be two special Memorial Day services, in the morning at 10:45 o'clock, and in the evening at 7:30.
